

# Make Us Whole Again

Music by Matthew Lilley; Words by Matthew & Mark Lilley

---

## Chorus

**Em Bm C G**  
There is healing that flows from the heart of God  
**Em Bm C G**  
And there are rivers of love that flow from the cross  
**Em Bm C G**  
He has taken our sickness, our heartache and pain  
**Em Bm C G**  
And He died, He died to make us whole again

**C D Em C D G**  
You say I'm healed by Your wounds; You say so confidently  
**C D Em C D G**  
How do I feel so defeated when You have claimed victory?

**C D Em C D G**  
Could it be it's not You at all; Could it be that it's me  
**C D Em C D G**  
This pride's become an infection; it's time to jump in the stream

## Bridge

**C G D Em**  
Heal me and I will be healed  
**C G D Em**  
Save me and I will be saved  
(2x)  
**C D Em D/F#**  
For You are the one that I praise(2x)
